CALL FOR PAPERS

About ICREP

Prof. N R Madhava Menon Interdisciplinary Centre for Research Ethics and Protocols is an Inter University Centre of Excellence which undertakes research and academic programs in the area of law, bioethics as well as in all areas of application of research ethics. The Centre is housed in the main campus of Cochin university of science and technology, Kerala.

About ICREP Journal of Interdisciplinary Studies

ICREP Journal of Interdisciplinary Studies is an open access peer reviewed journal published quarterly by the Centre. The primary objective of the journal is to serve as an important academic platform to deal with contemporary affairs in the areas that encompass intersection of law and ethics in relation to science and technology.

ICREP is pleased to invite the submission of well researched articles from academicians and researchers.

Themes

Any Interdisciplinary area having an interlinkage between law, science, technology and ethics.

Submission Procedure

- All submissions should be sent with a covering letter indicating the name of the author, designation and e-mail id.
